

## 2010 DeWitt Dragon Football Program

It's time to plan the 2010 Football Program for the DeWitt Schools! The program will feature 2010 Dragon teams, team rosters, Senior Dragon personal pages, cheer teams and cheerleaders, the DHS and DJH Mighty Dragon bands, majorettes, and color guards. All football players will be featured throughout the program along with personal ad pages highlighting other DHS and DJH students and their families.

This special book is a proud tradition in DeWitt's Athletic programs; it is a keepsake for each person who has been a part of the school system here in our community. The funds from these ads and the sale of the books goes to further programs in the school for our students, particularly the athletic program and the band program.

Detailed information about ads, sizes, layouts, and costs are included in the attached Sales Order Form. Please follow the directions carefully.
