

## *Jordan Murphy Memorial Scholarship*

*The Jordan Murphy Memorial Scholarship was created by Jordan's family & friends of the family to honor the memory of Lindsey Jordan Murphy for years to come as a member of the DeWitt High School graduating class of 2009.*

*Jordan lost her life in a tragic automobile accident on August 7, 2010. She was a well loved & trusted student at DHS as well as in our community. She was an active member of the cheer squad, participated in many school clubs, was voted class favorite & class treasurer through out her high school years, along with being selected Miss DHS & Homecoming Queen her senior year.*

*By loving unconditionally & always lending a listening ear, along with a beautiful smile to all she knew & met, Jordan was blessed to have earned a respect from her family, friends, classmates and teachers. Jordan treasured that love & respect & carried it with her into her short life journey where she earned that same respect from her employers & fellow co workers.*

*After high school, Jordan went to work at Family Dental & Associates as a Registered Dental Assistant. Her love for her job led to her decision to become a dental hygienist. She began night classes & would have been able to apply to UAMS in the spring of 2011, with the hope & dream of being accepted into dental hygienist school.*
