

Drop It Like an Egyptian

by

Leighton Wilson, Garrett Cummings, Kyla Patterson, and Noah Ward

Sung to the tune of *Drop it Like It's Hot* and *Gangster Paradise*

All the fish in the sea, swimming like its hot!

Swimmin' like its hot!

Longest river in the world, float it like it's not!

Float it like it's not!

Float it like it's not!

Egyptian gets an attitude! Dunk 'em like its hot!

Dunk 'em like its hot!

Dunk 'em like its hot!

I got the farmers on my land

And I got the fertile soil

And I got the best wheat

Cuz I got it goin' on.

As I walk through the valley where I harvest the grain

I take a look at my crops and realize they're very lush

But that's just perfect for an Egyptian like me you know

Cuz I shun stupid people like the Hyksos!
